This is an NSGEU Bargaining Unit position.

Start Date – November 15, 2010

End Date – November 11, 2011

Speech-Language Pathologist Department of Speech-Language Pathology Lunenburg & Queen's County

Nova Scotia Hearing and Speech Centres (NSHSC) is a program of the provincial Department of Health. Established in 1963, NSHSC works to prevent and reduce the impact of communication disorder for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with CASLPA
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries commensurate with experience [starting at \$64,127], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for the **temporary, full-time (1.0 fte) position of Speech-Language Pathologist**. The Home Base Site is Medical Arts Building, Glen Allen Drive, Bridgewater, NS. The successful candidate reports to the assigned Clinical Director. Schedule to be determined.

Requirements:

- Master's Degree in Speech-Language Pathology
- CASLPA certification or eligible for certification
- Proficiency in spoken and written English
- Experience with provision of pediatric speech and language assessment and treatment and familiarity with a variety of service delivery options for pediatric caseloads
- Knowledge of discipline specific best practices in assessment and early intervention of children with developmental disabilities
- Experience with a variety of intervention approaches for general pediatric population as well as those specific to ASD population
- Commitment to family-centered care
- Flexibility in work schedule to support evening programs
- Flexibility to travel throughout Nova Scotia on a regular basis
- Valid Nova Scotia drivers license and access to a reliable vehicle as travel is required

Assets:

- Experience with off-site/ home-based service delivery
- Experience working with trans-disciplinary clinical teams and working with supportive personnel (e.g. Communication Disorders Technician)
- Experience with caregiver training
- Ability to provide bi-lingual clinical services
- Provision of alternative and augmentative communication systems

To apply, please submit your resume, cover letter and three references, **no later than August 09, 2010**, to:
