This is an NSGEU Bargaining Unit position.

Start Date – January 3, 2012

End Date – November 3, 2012

Speech-Language Pathology Technician Middleton

Nova Scotia Hearing and Speech Centres (NSHSC) is a program of the provincial Department of Health and Wellness. Established in 1963, NSHSC works to prevent and reduce the impact of communication disorder for Nova Scotians.

We are proud to offer:

- ✓ Salaries commensurate with experience [starting at \$35,089.00], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation

We are accepting applications for the **temporary, full-time (1.0) position of a Communication Disorders Technician**. The Home Base Site is Middleton. Schedule to be determined. The successful candidate reports to the assigned Clinical Director.

The Technician will be trained for and assigned specific duties to support designated programs and services. She/he works under the supervision of a Speech-Language Pathologist and/or Audiologist and follows established methods and procedures with direction from a designated staff clinician with Nova Scotia Hearing and Speech Centres.

Requirements:

- Successful completion of a Communication Disorders Technician/ Communication Disorders Assistant formal training program (or equivalent)
- Eligibility for CASLPA Supportive Personnel membership
- Familiarity with the Canadian Association of Speech-Language Pathologists and Audiologists Guidelines for Supportive Personnel and Scope of Practice
- Excellent interpersonal and communication skills (written and oral)
- Good organizational/workload management skills
- Flexible to travel throughout Nova Scotia
- Proficiency in spoken and written English
- Valid Nova Scotia driver's license and access to a reliable vehicle as travel is required.
- Flexibility in work schedule to support programming
- Available to work in a variety of settings (client's home, school, hospital, preschool, clinic)
- Collaborative work to provide services

Assets:

- Experience in working with children and adults with communication disorders
- Computer literacy skills (Word, Excel, PowerPoint)
- Ability to provide bilingual clinical services
- Experience in working with Audiology and /or Speech-Language Pathology services

To apply, please submit your application, no later than **December 9, 2011**, to:
