Speech-Language Pathology Technician Yarmouth/Shelburne

Nova Scotia Hearing and Speech Centres (NSHSC) is a program of the provincial Department of Health. Established in 1963, NSHSC works to prevent and reduce the impact of communication disorder for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with CASLPA
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries commensurate with experience [starting at \$35,089], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for the **temporary, full-time (1.0 fte) position of S-LP Technician**. The Home Base Site is Yarmouth Regional Hospital. The schedule is to be determined. The successful candidate reports to the assigned AVP.

The S-LP Technician will be trained for and assigned specific duties. She/He works under the supervision of a Speech-Language Pathologist and/or Audiologist, and follows established methods and procedures with direction from a designated staff clinician with Nova Scotia Hearing and Speech Centres.

Requirements:

- Successful completion of a Communication Disorders Technician formal training program (or equivalent – eligible for the Canadian Association of Speech-Language Pathologists and Audiologists Supportive Personnel Membership), or currently enrolled in a formal training program and anticipating graduation within (6) months following employment
- [Eligibility for CASLPA membership for Technician](#)
- Available to work in a variety of settings (client's home, school, hospital, preschool)
- Excellent interpersonal and communication skills (written and oral)
- Good organizational/workload management skills
- Proficiency in spoken and written English
- Familiarity with the [Canadian Association of Speech-Language Pathologists and Audiologists Guidelines for Supportive Personnel and Scope of Practice](#)
- Valid Nova Scotia driver's license and access to a reliable vehicle as travel is required
- Flexibility to travel throughout Nova Scotia
- Flexibility in work schedule to support programming

Assets:

- Experience working with Audiology and/or Speech-Language Pathology
- Computer literacy skills (Word, Excel, PowerPoint)
- Ability to provide bilingual clinical services
- Experience in working with adults and children with communication disorders
